

## MITIGATED DETERMINATION OF NONSIGNIFICANCE

**Description of proposal:** Clark County, L1100 road construction. Forest Practices Application No. 2910563. This is a SEPA for the reconstruction of approximately 1400 feet and new construction of approx. 200 feet of road. The State plans to issue a Road Use Permit to Merrill and Ring that will allow the roadwork to be completed on State land and access to a proposed harvest on their property.

- Proposed work takes place on a ridge top with gentle slopes.
- There are no stream crossings associated with this proposal.
- There are no known species or habitats of concern on or near the site.
- All proposed measures will meet and/or exceed Forest Practice Rules.

**Proponent:** Department of Natural Resources

**Location of proposal:** S ½, SW ¼ Section 23, Township 4 North, Range 4 East W.M., approximately 26 miles by road, East of Battle Ground, off the L-1100 road in Clark County, Washington.

**Lead agency:** Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

[ ] There is no comment period for this Mitigated DNS.

[X] This MDNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from October 8, 2004. Comments must be submitted by October 22, 2004.
